HISTORY/FACTS/ISSUES:

The County receives crime prevention funding pursuant to Chapter 775.083 of the Florida Statutes.

The County, in consultation with the Sheriff, must expend the funds for crime prevention programs in the county.

The Sheriff is recommending the funds be spent for providing "on-call" pay to the nurses that respond to the Sumter County Sheriff's Office to complete sexual assault examinations and to gather forensic evidence. In the past year, the team completed 35 examinations.

This funding pertains to adult examinations; the state provides for examinations of minors.
